THE TIMES.

A. M. CLEMENT Editor

WEDNESDAY, OCT. 10 1906.

"NONE RIGHTEOUS."

It is a subject not only of profound regret but of deep discouragement when we read of the fall of good men. But do good men ever fall? "Thy word is truth," and what does the Word of God say on this subject? Adam came from the hand of his Maker pure and sinless and he fell. His son became a murderer, Abraham lied, Noah got drunk, Aaron worshipped a calf, Moses wanted to die and abandon the fight, David committed murder and adultery, Saul consented to the death of the innocent. Peter denied his Lord with curses and Judas sold Him for 30 pieces of silver "None righteous, no not one." What hope, then, for sinning, erring, struggling humanity? There is only hope, an all-sufficient one. Hope here and Heaven hereafter! Cheer brother and look up.

Booker Washington always gives good advice but his example is most pernicious, in that he spends most of his time up North accepting, if not seeking, social recognition from white folks. The negroes read of all this and are saying, "if one black man has the privilege of the Ogden nome, why can we not enjoy like privileges with our white neighbors?" This means constant discontent with Southern conditions and who can say that this does not also lead to outrages which invariably leads to violence by the mob?

Our Southern sea coast has been swept by storm and destruction has followed in its wake. We who live in Southside Virginia should thank God and take courage, since we only know of such catastrophies as they come to us through the medium of the newspapers. We are strangers to cyclones, to tornadoes and to all violent disturbances in the Heaven above, or the earth beneath. We have much room to for the terror-stricken and threatened ones of earth.

Congressman Lamb was imprudent enough, in a speech delivered in Nelson, to make war on Bryan, and the genuine Democrats who were present left the courthouse and refused to listen to the disingenuished gentleman. He will know better next time.

Some of the Republican nominees for Congress are 'spiling' for a fight with their Democratic opponents. Let them alone. The negro audience being no longer assured, it is their one hope of securing a hearing.

Atlanta was reckless in the extreme in licensing low order of negro dives to sell liquors. It is the old story, "Sow the wind and reap the whirlwind."

They tell us that we are to have "honest labels" on our food, but labels are neither palatable nor digestible. Give us pure food and you may give the labels to the winds.

"Some men are born great, some achieve greatness," but the Republican nominees for Congress in Virginia have had their greatness "thrust" upon them.

Strain a point if necessary and go to the State Fair. It is Virginia's Fair and so yours in part. Help to make it a success.

Gen. Taft is Secretary of War, Governor of Cuba and may be King of the Phillipines. He at least is expanding at rapid rate.

It does look as though Slemp had slumped. Small man can't be great men for any length of time. The misfit is too pronounced.

If Bruce wins in the southwest, and it looks that way at this writing, he may be a formidable candidate for Governor.

Buckingham Bank.

The stockholders of the Buckingham Bank met on Tuesday in their first annual meeting. An encouraging report was made by the Board of Directors. A two and a half per cent assessment was declared on the capital stock, which will be followed by others soon.

Messrs. J. H. Fitzgerald, R. S. Ellis, S. J. Puryear, W. P. Ellis, F. H. Spencer, J. E. Pearson, John A. Twyman, T. L. Bondurant, P. M. Harris, A. E. Ripley, W. H. Spencer, George Bolton, Alex. J. Bondurant, all of Buckingham, were elected directors for the next year.

At the annual meeting held immediately after, the following officers were elected: President, W. H. Spencer; Vice-president, John A. Twyman; Cashier, A. E. Ripley.

Buckingham.

With an earthquake in Porto Rico and a Revolution in Cuba, we were congratulating ourselves that the storm which raged so furiously along the coast last week had spent itself before reaching Virginia, when Monday morning we awaken to find a cold eastern wind blowing and every indication that this equinoctial storm had reached us.

If Secretary Taft is equal to the occasion he may, by using wisely the power of forces at his command restore order in Cuba. But it seems altogether likely that "Uncle Sam" will have to subdue those native and have our island country annexed to our great country. At this junction we can but recall the bravery and discretion displayed by the late Gen. Fitzhugh Lee, when he was placed in such trying circumstances in Cuba, how he restored order amid such chaos and confusion. We recall too the gallant demeanor of "Rough Rider" Roosevelt at that time. The President appeared in quite a different role some days ago, which shows that he is not only a soldier and statesman, but better, for he is a christian. The members of Christ's church at Oyster Bay, N. Y. celebrated the two hundredth anniversary of their church and Mrs. Roosevelt being a member of this church, her husband was invited as one of the speakers, for the occasion and The Christian Herald of N. Y. has this to say of his address:

"President Roosevelt's address in the little stone church at Oyster Bay, which recently celebrated its two hundredth anniversary, was not only an admirable sermon on conduct as the best test of Christian character, but it was a most effective answer to those who have claimed, that as a nation, we cannot be classed as distinctively christian."

Rev. Plummer F. Jones is expected here to night and if the weather will admit, to preach morning and evening for the week at the Presbyterian church.

Miss Mary W. Pratt, a pupil at the Farmville S. N. No. 1 spent last week with friends here.

Misses Wood and Stinson are boarding with Mrs. Mires and attending the High School here.

Miss Forbes is boarding with Mrs. Williams and attending school There is a good opening for some one to rent a house here and take pupils to board especially some one with a family of children to educate.

Miss Sallie Rice has come to take charge of the Malone school. Miss Rebecca Fitzgerald has gone to Stonewall P. Institute for the session.

Mr. C. G. Coy has been sick for several days, she was not able to attend the burial of her mother, who died at the old home in Charlotte county on the 22nd.

Mr. Perkins Ellis will leave for Philadelphia this week to take his daughter, Miss Adele E. is to school there. They will be accompanied on the trip by Miss Minnie Ellis, of Afton.

Mr. John Eldridge, Jr. is suffering with a very sore hand.

Cattle inspectors both state and feueral have visited the farms and have quarantined several lots of cattle. Our farmer has a lot of about fifty which cannot be moved until the quarantine is raised. Ticks are found in great numbers on some cattle, while on other farms none are to be seen. A man riding around with one of the inspectors says he met a negro boy and told him they had to inspect the negroes too to see if they had ticks, and he said the boy was about to haul off his clothes in the road when he looked and saw some ladies coming and let him go.

The colored people had a "grand rally' at Fork Union Sunday. They gave a big dinner and took up collection to paint their church.

Mrs. Hanaworth and baby boy have left for their Florida home after spending some weeks with Mrs. Sue Spencer.

Mr. Hugh Moss, of Richmond, is on a visit to his old home here.

LATER.

There was a considerable freshet in Slate River last week and tops, fodder and hay and in some instances corn was injured. Tobacco had to be fired hard to keep it from moulding during the damp spell we had. Mr. Clifford Jones and Mr. Alkier each lost by fire last week on house of tobacco Mr Alkier saved some of his as the house caught in the to which otherwise would have been a great loss.

Rumor is afloat regarding an impending [illegible] of the cashier of a man who has been quite prominent in affairs here, but it is no the policy of this paper to act too hastily on rumors.

Circuit Court convenes here on the 9th but not many cases of importance are to be tried. It seems likely that no one will be found guilty of the McFadden murder as the evidence is lacking to connect anyone with the killing so far.

Mr. A. L. West was in town last Friday. He was seeing after affairs at the old home place, while his bro ther, Ed West remains in Richmond, where he is in Richmond, having had some minor operation performed.

Mrs. John Fitzgerald, of Crewe, died last week. She had not been married very long and the sorrowing husband is a train dispatcher for the N. & W. Ry. and is a son of Mr. and Mrs. F. E. Fitzgerald, of this county.

Mr. and Mrs. J. H. Fitzgerald left here last week for a trip to Baltimore. Miss Fannie Fitzgerald is boarding with Mrs. John R. Moss.

The floors in the Slate River Mills have sunken to such an extent as to injure the machinery used in grinding wheat.

Miss Nannie M. Moseley has gone on a trip to Farmville.

Miss Rose Moseley has been visiting in Roanoke and Lynchburg.

Dr. Perkins Glover attended the meeting of the medical Association in Charlottesville last week.

Diana Mills.

Mrs. Evelyn Chambers, widow of Ansel Chambers died on Sep. 26th and was interred in the family cemetery on the 27th, surrounded by friends and relatives. She leaves only two daughters: Mrs. W. H. Lawson and Mrs. Elijah Eldridge. She was a member of Mt. Tabor Baptist church. She was a kind neighbor and friend. Heart failure was the cause of her death.

The tobacco crop has been gathered in and is being cured. Mr. Emmet Richardson has the biggest crop of the season, I guess.

The cattle tick inspectors have been around and what does it amount to?

Miss Janie Williams expects to commence her school at Brookneal school house on the 15th. Miss Vivie Alle., of Iowa, will teach the school near Mr. Richardson.

Taft is on the fence, but the pot continues to boil.

$100 Reward.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of it they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address

The big closing out sale at D. W. Myers is still in progress. You can't afford to miss it. His new fall stock is being opened up daily and is sold at cost. The reason for doing this is Mr. Myers is going to retire from the clothing business and is making prices to move the stock. They will not last long at the prices he is putting on his entire stock The time to buy is now. The place is D.W. Myers, 828 Main Street, Lynchburg, Va. The reason is prices are at and below cost. Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargment of prostate gland. This is both painful and dangerious, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old cases of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old."

L. E. Smith, Appomattox; W. B. Watson, Concord; W. C. Nowlin, Spout Springs.

Lame Back.

This is an ailment for which Chamberlain's Pain Balm has proven especially valuable. In almost every instance it affords prompt and permanent relief. Mr. Luke LaGrau of Orange, Mich., says of it: "After using a plaster and other remedies for three weeks for a bad lame back I purchased a bottle of Chamberlain's Pain Balm, and two applications relieved me entirely." For sale by J. R. Atwood, Appomattox; R. A. Carter, Prospect; E. F. Glover, Evergreen.

WHY A FARMER SHOULD KEEP A BANK ACCOUNT.

Farmers as a rule do not keep books of account. Their accounts therefore, on the ledger of a bank will afford them a complete record of all their important transactions, involving the payment or receipt of money. A cancelled check, when returned by the bank, at the end of the month, constitutes the safest receipt one can have for showing the payment of money. Paying a laborer a store account, or any other bills, with a check drawn on a bank, is safer than using money; because the person receiving the check must endorse it and the check should be preserved as a receipt.

Money deposited in a bank is not so easily or so often "Rolled away" as when carried a day in ones pocket. Try the experiment for one year of keeping a bank account and see if it does not pay you.

A large number of the most reliable farmers, in this section, have accounts with us. We are very desirous of having the accounts of farmers on our books an we wil be glad to furnish, at any time whatever information we can in regard to the subject of banking.

The persons who open accounts with us are furnish check books free of cost.

JOSH BILLINGS Says:- "I luv a rooster for two things, the cro' that's in him and the spurs with which he has to back up the cro'." Our crow is lower prices and CASH is the spur we back it up with.

Two Reasons Why We Grow

Progress is noted in two ways, viz,
1st—The incentive to make provisions for future demands.
2d—The care to make the best possible results of the present.
And so it is today, by such methods,

LYNCHBURG'S GREATER STORE

Stands out as substantial evidence of these two potent factors in commercial upbuilding.

We are never satisfied, no matter how good the service, no matter how splendid the results of our efforts, no matter how superb are the assortments of merchandise offered in our various departments.

We are planning for better conditions, striving to make this store the foremost in the State, and it shall be done only by fair dealing, courteous treatment and prevailing low prices. Thus the tide will swell and the store of yesterday is the better store of today, and on and on till greater things be accomplished our facilities to serve you the best possible.
